

Elsevier Author Seminar

ELSEVIER

“How to write a great research paper and get published”

In the context of the Festival of Medical Sciences Elsevier, in collaboration with the University of Bologna, is pleased to invite you to attend the Author Seminar “How to write a great research paper and get published” which will take place on **April 20th** at the **Sala degli Atti, Palazzo Re Enzo, Piazza del Nettuno, 1** at **12.15**.

The objective of this seminar is to introduce young researchers to skills necessary for the development of a good research article, according to the criteria required by the majority of national and international academic journals. The speakers will share their experiences of editing and publishing articles and their proposals for improvement of the quality and visibility of the scientific publication.

The seminar will be led by Dr. **Valentina Sasselli**, Publisher Life Sciences, Elsevier and Prof. **Lucio Cocco**, Department of Biomedical Sciences, University of Bologna and Editor-in-Chief of Advances in Biological Regulation.
